

WE COME TO WORSHIP

(Klaus Rheinfurth)

We gather

We cry out

We lift our hands to You

**We sing our songs
of praises in worship
and then You break through**

(chorus)

We come to worship You

We come to give You the praise

We come to worship You

We come to lift up Your name!

**Your people are coming
from the far sides of this world
and we wave Your banners high
to fly in the wind unfurled**
